- 87%   **04/2020 - 03/2021**

New Golden Higher Secondary School,Indore
10th **04/2018 - 03/2019**
- 85.8%

Projects

- **Tic Tac Toe game (https://ubiquitous-sundae-222f8b.netlify.app)**
  A simple browser-based game created using HTML, CSS, and JavaScript. This was my first project exploring JavaScript for interactive web development.
- **Quiz Website (Minor Project)**
  A dynamic platform for hosting quizzes, built using HTML, CSS, JavaScript, and MySQL. It allows users to take quizzes and evaluates their performance in real-time.
- **Placify:- Placement Preparation Platform (https://github.com/14Akshat/major-project)**
  A comprehensive platform designed to assist students in placement preparation with features like mock tests, progress tracking, and verified placement resources.
